Dance Magic (3-5 years) - A dance class that gently introduces the preschooler to a more structured dance class to develop their body awareness and prepare them for the progression to ballet, tap and acro/tumbling. Using basic dance movements, fun music, props and imagery, students work on mastering coordination and developing focus and attention. Musicality in rhythmic patterns and dynamics are developed, laying the foundation for progressing in dance.

Fairy Tale Ballet (3-5 years) The teacher weaves the classic ballet stories and characters into the ballet lesson each week. This allows the teacher to take these little princesses on their own magical journey. This class will focus on the basics of ballet while still exciting the imagination each week! Each 5 weeks will be a new princess/ballet classic theme, such as Swan Lake, Nutcracker, Sleeping Beauty and more.

Hip Hop Class (4-12 years)- Classes are funky, fast-paced – offering the latest moves in hip hop dance and jammin' music. As always this class has age appropriate music, costumes and choreography.

All of this in a fun, safe, and musical atmosphere including playing with drums, shakers, scarves, parachutes and so much more.

Mommy and Me Dance (2-3 years)- A PERFECT CLASS FOR PARENT AND CHILD TO DANCE TOGETHER. Our two year old dance program begins with Mommy and Me. Toddlers enjoy taking the lead in their first dance class with the security of Mom or Dad. Focus is on developing large motor skills, encouraging confidence, expressing creativity, and introducing the student-teacher relationship. The teacher leads parent and child through imaginative movement, music, songs, and fun gentle-gym exercises. A great way to introduce your child to dance and music!
