JOYFUL MUSIC, MIND, & MOTION

Joyful Music Mind and Motion is a strengths-based philosophy and curriculum that focuses on developing self-confidence and social competence. We teach our students emotional regulation and social communication strategies through music, dance, and art activities.

Students are required to complete assessment for placement in groups.

Musical Exploration Group

This 50min. group helps students learn strategies for emotional regulation and peer interaction through sensory and music-based play.

Monday or Wednesday 1:30 or 3:00 p.m.

Imaginary Play Group

This 50 min. group promotes the development of social skills through music, stories, art, and dramatic play.

Monday or Wednesday 4:30 p.m.

MUSIC THERAPY & OCCUPATIONAL THERAPY

Individual and group therapy specializing in, Autistic Spectrum Disorder, Sensory Integration and developmental delay. We incorporate music in EVERYTHING we do!!

Individual Music Therapy Sessions

Our Board Certified Music Therapist designs goal specific programs, catering to the individual needs of the student.

30 or 50-minute individual sessions available

Individual Occupational Therapy

Our Certified and Licensed OT evaluates and designs a treatment plan incorporating standardized test scores and parent/child directed goals

50-min individual sessions available

Handwriting without tears

Directed by an Occupational Therapist, this popular program uses fine and gross motor, and multi-sensory activities, like crafts and games, to help your child develop handwriting skills needed for school success. Children must be able to function independently in a small group. Call for more details or to register.
